Cindy's Blog – 26 February

Remember last week I told you about AJ and how ¹ *frustrated/frustrating* I feel about him? Sure, he's a nice boy. But spending all your time outside school with the same person gets ² *bored/boring*!! And all my friends are really ³ *annoyed/annoying* with me now because I never hang out with them any more. AJ never wants to do anything ⁴ *excited/exciting*.

And I feel s-o-o-o ⁵ *embarrassed/embarrassing* when he calls me 'his girl' when he's talking to people! I told him we had to talk. He looked so ⁶ *worried/worrying*! Well, we talked and everything is fine now ... we're going to see each other a little less in future. My mum's ⁷ *pleased/pleasing* – she thinks I'll have more time to spend on my homework ... hmmm ...

Anyway, on Friday my friends and I are going to hire some DVDs and have a loooooong chat. It's going to be an ⁸ *interested/interesting* evening ...

Peace and love everyone.
